BY COURIER

Dear Mr Barlow

Re: US Patent Application No 09/900,160 in the Name of Kia Silverbrook
Docket No: YUI28US

We hereby lodge a petition to WITHDRAW HOLDING OF ABANDONMENT.

We did not receive the Office letter mailed on November 7, 2001 and therefore failed to respond in a timely manner. We petition the commissioner to WITHDRAW HOLDING OF ABANDONMENT and to provide us with additional time to place the application in order for allowance.

The enclosed Declaration of my Patent Administrator, Leonie Frances News, confirms that:

- a) We did not receive the Office letter mailed on November 7, 2001;
- b) The file docket records were searched for the Office letter mailed on November 7, 2001 but to no avail; and
- c) Our docket records indicate that the Office letter mailed on November 7, 2001 was not received.

We look forward to receiving favourable consideration of our petition in the near future.

Yours sincerely,

Kia Silverbrook

Commonwealth of Australia
Statutory Declarations Act 1959

STATUTORY DECLARATION

In the Matter of US Patent
Application No. 09/900,160
in the name of Kia Silverbrook

I LEONIE FRANCES NEWS of 393 Darling Street, Balmain, New South Wales, 2041, Australia do solemnly and sincerely declare as follows:

1. I am the Patent Administrator of Silverbrook Research Pty Ltd and have held this position since 1 September 1999.
2. I have responsibility for maintaining the docket records for the United States patent applications of Kia Silverbrook and Silverbrook Research Pty Ltd, including US Patent Application No. 09/900,160 (*"The Patent Application"*.)
3. I have searched through my file for The Patent Application and confirm that the Office letter of November 7, 2001 is not in the file.
4. I do not recall ever receiving the Office letter of November 7, 2001 for The Patent Application.
5. It is my standard practice to record the receipt of an Office letter/Office Action in our docketing system, in the form of a US Office Actions - Outstanding table. The US Office Actions - Outstanding table for the period October 29, 2001 to December 19, 2001 is attached and marked as Exhibit LFN-1.
6. The US Office Actions - Outstanding table indicates our docket reference under the row heading "Case", the date of the Office Action under the row heading "Date of USPTO Office Action" and the date the Office Action was received by Silverbrook Research Pty Ltd under the row heading "Date Received at SRPL."
7. Our docket number for The Patent Application is YU128US.
8. The Notice of Abandonment states the mailing date of the Office letter in respect of The Patent Application was November 7, 2001.
9. Exhibit LFN-1 does not contain any record of receipt of the Office letter of November 7, 2001 for The Patent Application.
10. In addition to the Office Actions - Outstanding table, I also maintain a US Responses table which allows me to keep track of the due dates for responding to official

actions, paying Issue Fees and the like. The US Responses table for the months of January, February, March and April 2002 are attached and marked as Exhibit LFN-2.

11. If we had received the Office letter of November 7, 2001, I would have entered the due date of February 7, 2002 as the due date in the US Responses table of Exhibit LFN-2.

12. Exhibit LFN-2 does not contain any due dates for a response to Office letter of November 7, 2001 for The Patent Application.

13. Exhibits LFN-1 and LFN-2 confirm that the Office letter of November, 2001 for The Patent Application was not received by Silverbrook Research Pty Ltd.

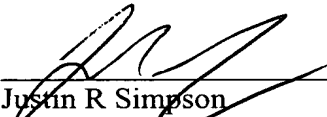

And I make this solemn declaration aware of the penalties for false declarations under section 11 of the Statutory Declarations Act 1959 (Cwth of Australia).
